

Gift a Wish

The children and families of **Foundations Preschool** can use your help this holiday season.

As a part of our **Parent Empowerment Program**, we strive to ensure that all parents can purchase toys and clothing that they know will make their children happy. Because after all, it's the parent who knows best how to bring a smile their little one's face!

You can help provide that smile.

Simply donate a **\$20 Meijer or Target gift card** to Foundations Preschool. We will make sure that each of our **90 families** will have enough to make their child's wishes come true. Please see the back of this flyer for details.

Parents have often told us that without this program, their child would not receive a gift for the holidays.

Let's make it happen!

Timeline and Procedures

Participating in this program is easy and rewarding! Here's how:

- Contact Kelly Overend at kellyo@foundations-preschool.org to let her know you would like to donate. Please reach out with any questions you have about the program or our organization.
- Purchase a \$20 gift card from Meijer or Target. We will combine cards from community donations to ensure all of our families receive adequate amounts based on income and size of household.
 - Gift cards do not have to be from Meijer or Target. This is just a suggestion that focuses on children's needs and wishes. We will accept gift cards from any store!
 - \$20 is the *suggested* donation to make sure each child receives a holiday present. We will appreciate any amount, more or less!
- Ensure cards are received at Foundations Preschool **no later than November 30, 2018.**
- We can come to your business and pick them up, just let us know you prefer this in your email. You can also deliver or mail to:
Foundations Preschool
3770 Packard St.
Ann Arbor, MI 48108
Attention: Kelly Overend
- You will receive a receipt for your tax-deductible donation and a thank you from a family who benefitted from your generosity.

Your participation in this program is blessing for our families and we are eternally grateful for your support.

Sincerely,
Sandy Williams
