## **CONTAINER GARDENING**

### **BRING YOUR CHILD FOR A FUN NIGHT OF PLANTING WITH MR. KRAIG!**

## **Thursday, APRIL 18, 2019**

### **5:00-6:00 PM**

**Mr. Kraig is one of the experts here at foundations on all things gardening. He will provide ideas of how to garden in small spaces. He will have some seeds and plants ready for you to try with your child.**

In this workshop you will:

- ✓ Learn the benefits of gardening at home
- ✓ Discover the learning it promotes with young children
- ✓ Get creative ideas to garden in small spaces
- ✓ Learn how to talk about where food comes from with your child
- ✓ Get some recipe ideas with the things you grow
- ✓ Have fun with planting and with your kids

### **Summer Program: Days of Discovery June 17-August 22**

We sent out flyers to ask if your child will attend during the summer. Tuition is the same as what you have been paying all year, if you are in tuition based care or in the three-year-old program. If you are in the GSRP classroom the fee is \$100/week.

During the summer we add enrichment activities to our regular schedule. This year we will also be providing a S.T.E.A.M. program over the summer months. Each day will have a different focus. S-is for Science. T-is for Technology. E-is for Engineering. A-is for Arts. M-is for Math. The kids and staff will have a fun and terrific summer! See you there!!

### **May Parent Workshop: How to Build Resiliency Thursday, May 23<sup>rd</sup> 5:00-6:30 p.m.**

Courtney from the MSU extension campus will come to present us with some terrific ideas for building resiliency in your child and in your family. She will give tips and ideas that you can easily use at home.

We will provide child care and some snacks for kids and parents. There will also be raffle items at the end. Please sign up outside your child's classroom. Let's make this the best turn-out ever!
